## Lake Grace, Western Australia, Wednesday 13 February 2019

Lake Grace Sports Pavilion, Bishop Street, Lake Grace  
9.25 am to 4.25 pm followed by Sundowner drinks (doors open at 8.30 am)

### **Trade wars, Trump politics and a Banking Royal Commission: What's the fall out for agriculture? The economists view.**

Saul Eslake is a high-profile consulting economist based in Hobart, Tasmania and has held several Chief Economist positions including with ANZ, Merrill Lynch and National Mutual. Saul also spent time as Director of the Productivity Growth program at the Grattan Institute.

*Saul Eslake, Consulting Economist, Hobart, Tasmania*

### **Decisions, Decisions: Stress testing your farm decision thinking by building your own practical decision matrix.**

Cam has been involved in many farmer programs for the GRDC, MLA and Landcare. He provides consultancy advice to farmers and lectures in animal and pasture systems at Marcus Oldham College.

*Cam Nicholson, Nicon Rural, Geelong, Victoria*

### **'Tax Tips': Essential tax management strategies for grain growers.**

Cameron is a director of RSM Australia based at Katanning. He manages the RSM Business in the Great Southern region and has extensive knowledge and experience in all aspects of primary producers' financial and business interests; particularly taxation, superannuation and succession.

*Cameron Taylor, RSM Australis, Katanning*

**Farming to Profit. Focusing on the drivers of profit in local farming systems. How does enterprise mix impact?**

Steve has 36 years' experience in low and medium rainfall farming systems and has delivered a wide range of farm advisory services to clients. These days, Steve specialises in budgeting and financial management and analysis for farming businesses.

*Steve Curtin, Consult Ag, Lake Grace*

**Farm labour arrangements: Are you compliant? What is at risk? What you need to do next.**

Stephen brings a pragmatic focus on the tricky area of farm labour compliance having a lifelong involvement in the legal needs of farming enterprises.

Including a 'drill down' session – with input from a grower case study.

*Stephen Park, Pacer Legal, Perth*

**Sustaining the farm family business: Your health is non-negotiable. Critical self-help strategies for farming families.**

Susan Brumby has lead several key initiatives aimed at improving the health, wellbeing and safety of farmers, farm workers and their families across Australia.

*Susan Brumby, Founding Director of National Centre for Farmer Health, Hamilton, Victoria*
