2022 GRDC FARM BUSINESS UPDATES

Industry exposure for your products and services

The GRDC Farm Business Updates are the grain industry's leading Business Management events. These events aim to deliver increased awareness of the importance of business management in the modern farming operation. The Updates deliver information (and support) to assist growers with increasing their business acumen and support with embedding new processes into their farming business.

This is your opportunity to:

- Engage with grain growers and industry advisors through a flagship industry event.
- Create awareness of your services and products.
- Network with leading industry advisers and growers.
- Demonstrate support of industry events in regional and rural communities.

Please Note: All industry support applications are subject to approval by GRDC.

All offers are subject to State Government COVID-safe policies at the time of the event.

Trade Display \$600 plus GST

- includes trade display space, two full registrations to sponsored Update, acknowledgement in Update Proceedings.
